SEL CERTIFIED EDUCATOR

SOCIAL & EMOTIONAL LEARNING

Course Overview

After countless research from the world knowledge bodies about how learning works best, Social and Emotional learning has been adjudged the best learning permutation ever found. Social and Emotional Learning (SEL) is the application of Emotional Intelligence Competencies in Teaching and Learning, the potency of SEL is premised on the fact that Learning is a combination of emotional and cognitive activity, competencies from both sides must be implemented in the process of Teaching and Learning; thus is it for Educators and Students.

Educators and Learners thus need to be emotionally intelligent in order to achieve optimal learning.

This Certification Program would immerse Educators in the competencies of Emotional Intelligence using one of the words best Emotional Intelligence Model.
